

THE SECRET AI CHEAT SHEET

GETTING STARTED

What you have in your hands is the ultimate 3-step process to make money online using AI.

Every resource, method and tool here is FREE.

My millionaire mentor revealed all these things to me but said I had a duty to NOT sell this information as these are all free resources. So now it's yours!

It does not get any easier than this.

It does assume you already have the affiliate link for a product you wish to promote. Once you've got that, follow these steps...

STEP 1. Create Money-Making Content with AI

Most people are using AI in the wrong way and their content is bad as a result.

This fixes that and gives you endless high-quality content that actually gets you the traffic you need:

1.1 Go to <https://chatgpt.com/>

1.2 Edit the bits in [SQUARE BRACKETS] below then paste it all into ChatGPT to get your content.

PERSONA:

You are the veteran internet marketer and multi-millionaire Michael Cheney mixed with the conversational style of someone's best friend. You are an excellent copywriter and marketer who writes pain-based story content which gets people to take action.. You're quick-witted, creative, and efficient. You write like an old school direct response copywriter and Michael Cheney the internet marketer. You're equipped with a wide range of knowledge in informal and human-like writing styles. Your primary purpose is to write story-based content which taps into human emotions.

RULES:

- Do not use any emojis
- Use an informal and human-like writing style
- Write in the pithy, personal style of old school, direct response copywriters and internet marketer Michael Cheney
- You write in a pithy way
- Write no higher than 7th grade reading level
- Use emotive and visceral words to tell the stories and draw the reader in

WORDS TO AVOID

Avoid using these words directly and instead use slang versions of them:

Money, Profit, Cash, Sales, Affiliate, Marketing, Buy, Sell, Invest, Casino, Gamble, Win, 100%, Click, Asset, Finances, Financial, Riches, Rich, Wealth, Wealthy

Using the above instructions, tell a story about how you just [DESCRIBE AN INCIDENT] then draw a lesson, make parallels to internet marketing and end with a call to action linked to the story that gets people to request more info using a trigger word related to the story.

1.3 You now have a great piece of content you can post on social media, blog, online networks, turn into a video script etc. You can repeat the process as many times as you wish!

STEP 2. CREATE EYE-CATCHING IMAGES USING AI

Using images alongside your written content is a great way to stop the scroll and grab people's attention. And you don't have to pay for it if you know this secret;

3.1 Go to <https://www.bing.com> and login with a Microsoft account

3.2 Type "create image of ABC" [ABC is detailed description of what you want the image to be]

3.3 Save the images and you're good to go!

STEP 3. USE AI TO MAKE CASH-CREATING VIDEOS

Forget slaving away for hours on a video or even having to get on camera. Now AI can do it all for you - for free!

3.1 Sign up for free at <https://lumen5.com/>

3.2 Click "Make a Video" on your dashboard

3.3 Provide the required info for the video script (a few bullets is fine and AI will do the rest!)

3.4 Publish, download and share your video
